PRESIDENTS MESSAGE

Welcome to our 2024 Ice Gala, **TWIZZLE TOWN THE MUSICAL**. Our skaters, coaches and volunteers have been working hard to help make this event possible. There are many hours that go into planning an event like this and without the time commitment from our volunteers, we would be unable to present a production such as this. If you would like to become involved in any volunteer role, at any time of year, we have a job for you. We provide a fun and flexible environment. Many hands make light work. Thank you to all of you who have volunteered time with our club this season. You are greatly appreciated.

We are pleased to be able to provide this opportunity for skaters to showcase their talents to their family and friends. We are very fortunate to have such dedicated and enthusiastic Program Assistants, who volunteer their time each week to help those in our learn-to-skate programs and act as exceptional role models. Our programs could not run without them. Please join me and our volunteer Board of Directors in congratulating each and every skater for their success thus far and for their hard work in helping put this show together.

Our club is very privileged to have a team of highly qualified Certified Professional Coaches who contribute so much to our programs and to our skaters. We appreciate the hours that these coaches invest in our club to contribute their expertise and passion for the sport and their dedication to our club throughout the season.

SPSC would like to thank the City of Charlottetown, Cody Banks Arena and the arena staff for their strong commitment to our club throughout the years and for supporting our efforts in addition to all the little extras they do for us! .

Every year we battle the rising costs of keeping a club like this and its quality programming running and keeping our registration fees reasonable for our members. We thank everyone who were able to participate in our Healthy Kids! Active Kids Fundraiser, our Toonie Days, and Treat Sales here at this event.

We hope to see you all back at our regularly scheduled Fall and Winter Programs for next season and our off-season programming through the Island Skating Academy. Now sit back and enjoy watching the accomplishments your skater has made this season.

Enjoy the Show!

Chanda Bissett, President, SPSC
