Letter From President

Welcome to our 2026 Ice Gala, SKATING THROUGH GREECE!

We are thrilled to offer this opportunity for our skaters to shine and share their talents with family and friends. Our skaters, coaches, and volunteers have been working tirelessly to bring this vibrant event to life. Countless hours go into planning a production like this, and we simply couldn't do it without our incredible volunteers. If you've ever thought about getting involved, we'd love to have you—there's a fun, flexible role for everyone. Many hands truly do make light work! To those who have already given their time this season, thank you. Your support means the world to us.

We're especially grateful for our dedicated and enthusiastic Program Assistants, who give their time each week to support our learn-to-skate programs and serve as outstanding role models. Our programs wouldn't be the same without them. Please join me and our volunteer Board of Directors in celebrating every skater for their achievements so far—and for the passion and teamwork they poured into this show.

We're also incredibly fortunate to have a team of highly qualified Certified Professional Coaches who bring exceptional skill, commitment, and heart to our skaters. Their dedication throughout the season strengthens our club in every way, and we are deeply appreciative of all they do. SPSC extends a huge thank-you to the City of Charlottetown, Cody Banks Arena, and the arena staff for their ongoing support—and for all the little extras that help our club thrive!

Each year we work hard to keep our programs accessible and affordable, despite rising costs. Thank you to everyone who took part in our Healthy Kids! Active Kids Fundraiser, our Toonie Days, and our Treat Sales at this event. Your involvement makes a real difference.

We hope to see you back for our Fall and Winter Programs next season, as well as our off-season sessions with the Island Skating Academy. Now, sit back, relax, and enjoy watching all the amazing accomplishments your skater has achieved this season.

Enjoy the show!
